

The Good Cause Club

We are part of Wentrow Media and our business is the publishing of specialist newsletters that are both entertaining and informative. **The GOOD CAUSE CLUB** is no exception.

The concept of this new Club is that you pay a weekly membership fee of £2.40 (minimum 12 weeks) of which half represents our fee for running the Club (including posting the newsletter to you) and the other half goes into a pot that is then

distributed to the various charities featured in the newsletters.

Club members can make suggestions for different charities to support, although the Editor makes the final decisions.

If you get enjoyment out of giving and like the idea of discovering more about deserving causes and how money is being spent, then this Club is for you.

DOES YOUR CHARITY WANT OUR SUPPORT?

If you have a story worthy of consideration for our newsletter, please write to us now and specify the name of the Registered Charity that you would like the Club's cheque to be sent to. (We do not offer a guarantee of support or reply).
